

We are very proud to present our wine list

**We have tried to balance our list with wines from both the New World
and the Old World,**

offering different grape varieties & styles and providing wines to suit most tastes and palates

We have also matched some wines with certain foods

to maximise the tastes and flavours within the fundamental elements of your meal

We have trained our staff to be able to assist you with your wine choices

and to offer you any advice you may need with your selection

We offer a superb selection of Wines by the Glass...

Allowing you to sample different wines or, perhaps, to order a glass of white wine with
your starter and then to share a bottle of red wine with your main course

All above prices are quoted in Dirhams and include 10% service charge and
10% Municipality fees
